

Recommended Equipment List

By Arrowhead Outfitters LLC

- Hip Boots Are Required- AOLLC recommends the style of hip boots that can be pulled over your hiking boots such as NEOS brand or a brand that many of our hunters really like is the "Tundra" Hiking Boot which is sold by Cabala's which is a hiking boot with roll top that can be rolled up to use as hip boots. Both styles are light weight yet durable.
- Quality Tent Suitable for the Alaska Bush, don't forget plenty of stakes.
- Gun & Gun Cleaning Kit
- Binoculars & Spotting Scope
- Tarps
- Quality Water Proof Duffel and Storage Bags (not plastic sacks) for Clothes, Food, Supplies and Sleeping Bag (medium to small size is best). Very large duffels and bags cannot be transported due to space limitation in our aircraft.
- Quality, Sturdy Back Pack/Hunting Pack
- Parachute Cord
- Water Bottle & Water Filtration System to purify river, creek and pond water for drinking (Example: MSR© or Katadyn©)
- Quality Rain Gear
- Gore Tex Hiking/Hunting Boots
- Quality Sleeping Bag rated no less than 20° and better yet -40° (We do not recommend Down Sleeping Bags, we suggest bags w/ Quilo Fill, Holo Fill or other quality fill that retain their warmth if wet or damp (be sure to put in a water proof compression bag)
- Quality Sleeping Pad
- Quality, Light Weight Cot
- FRS Radio (Midland, Cobra or other good brand)
